

Public Health Department

Govt. Of Maharashtra

Manual for Transfer Process Software

- This software is designed and developed for conducting transfer process of employee based on the transfer priority and seniority of the employee as per the preferences given by the employee as mentioned in the Maharashtra Government Resolution शासन निर्णय क्रमांक : एसआरव्ही-2017/प्र.क्र.415/कायासन 12 dated 09 April 2018.
- 2) Below is Login Screen of the Software :

This page contains Login Type, Captcha Pattern, Forget Password and Create New User. When user click on Login Type, various types of Login Type appeared for selection as mentioned below.

आनलाइन बदला साफ्टवअर
· · · · · · · · · · · · · · · · · · ·
Login Type
Applicant Level Login
Institute Login
District Level Login
Deputy Director Level Login
State Level Login
Admin Level Login

When user selects Applicant Level Login, system will ask for Applicant Mobile no and OTP and for other Login Type, system will ask for Username and Password of User.

Applicant need not create new user to access the portal. Applicant can access portal by providing mobile no and OTP received on mobile. Rest all user need to create new user, register them into the portal and then by providing username and password, he/she can access portal.

Below is screen for New User Registration:

🚱 https://transfer.endurix-elearning 🕨	+	~ - @ X

State Level Dashboard will appear as below:

State Level dashboard consist of modules like Institute Master (Non Editable), List of Applicants, Validation of Important Data, View received Query, Print Vacancy List, Print Seniority List, Process Transfer Round and Print All Transfer Orders.

Dashboard also consist graphical Analysis like at Admin Level

Deputy Director Level Dashboard will appear as below:

Deputy Director Level dashboard consist of modules like Institute Master (Editable within the Jurisdiction of Deputy Director), List of Applicants (within the Jurisdiction of Deputy Director), Validation of Important Data, View received Query, Print Vacancy List, Print Seniority List and Print All Transfer Orders (within the Jurisdiction of Deputy Director).

Dashboard also consist graphical Analysis of data like at Admin Level but the analysis of data only within the Jurisdiction of Deputy Director.

District Level Dashboard will appear as below:

District Level dashboard consist of modules like Institute Master (Editable only his Institute), List of Applicants (within the Jurisdiction of District Level), Validation of Important Data, View received Query, Print Vacancy List, Print Seniority List and Print All Transfer Orders (within the Jurisdiction of District Level).

Dashboard also consist graphical Analysis of data like at Admin Level but the analysis of data only within the Jurisdiction of District Level.

Institute Level Dashboard will appear as below:

Institute Level dashboard consist of modules like Institute Master (Editable only his Institute), **Add New Application of Employee**, List of Applicants (within the Jurisdiction of Institute Level), Validation of Important Data, Change Mobile no of Applicant, View received Query, Print Vacancy List, Print Seniority List and Print All Transfer Orders (within the Jurisdiction of Institute Level).

Dashboard also consist graphical Analysis of data like at Admin Level but the analysis of data only within the Jurisdiction of Institute Level.

The important point at Institute Level is Institute has to enter Employee Application details from Institute Login and all raised query by Applicant shall be clear at institute level only. Further, Institute have to enter Institute data like institute level, institute area, institute email, institute phone, sanctioned posts and vacant posts. Other all above level users only view raised query, answer/cleared query by institute, institute data etc.

Add new Application of Employee module is as below:

Employee has to submit his Application in Pre-printed form to his/her Institute. Transfer priority can be are as below:

- 1) Applicant Differently Able
- 2) Applicant is Parents of Disabled children as Notified by the Central Government from time to time
- 3) Applicant Suffer from Illness as Notified by Government
- 4) Applicant is Widow/abandoned woman
- 5) Husband-Wife Grouping
- 6) Applicant Family member Suffer from Illness as Notified by Government
- 7) Re-appointment of Ex-Servicemen
- 8) Not Applicable

Transfer process can be carried out based on the Transfer priority, date of joining and preferences given by the employee. As per GR, employees have to submit 10 institutes priorities and out of 10 institutes, 2 institutes should be from Difficult / Tribal Area.

Most important aspect is, the preference list will not populate list of institutes if Institutes meets following condition

- a) Applicant Current Institute
- b) Institutes which have not vacant position of Applicant/Employee Designation / Post Institute can update Institute Data from below Screen:
